## **FOR OUR KOSHER GUESTS**

### **KITCHEN**

The kitchen counter top is granite which can be kashered (easier if you don't put hot food on it).  
The sinks are porcelain which cannot be kashered. Do not put food or utensils directly in the sinks.  
The milchig sink and counter is on the left side of the sinks.  
The fleishig sink and counter is on the right side of the sinks.

The stove top is electric which can be kashered by heating the elements until red.

The oven is not self cleaning and cannot be kashered. Please cover all food twice in foil.

Please cover your food with plastic wrap in the microwave.

Make sure that there is no light bulb in the fridge/freezer.

The dishwasher is not kosher.

Please bring your own silverware, dishes and pots for any kosher cooking since we do not supply them.

We have a hot plate, timer and water urn for Shabbos use. They are in a closed box in the garage.

### **BEDROOMS**

All three bedrooms have two beds in each room.

### **SWIMMING POOL & BARBECUE**

Our pool area is completely private.  
The outside barbecue is not kosher.

### **LIGHTS**

Please use Shabbos timers either on lamps or on wall switches. All instructions are in the Desert Rose Villa booklet or in the desk.

## **ALARM**

For Shabbos, please unscrew the alarm box which is on the wall in the laundry room and unhook one lead from the battery. Then unplug the alarm plug in the garage (it says “ Do Not Touch”). After Shabbos, please **REATTACH EVERYTHING!!**
